The end of term brings with it some staff changes. Congratulations to Julia Agnew who is moving to Brinkworth Primary School to be their Finance Officer for the remainder of the year. Many thanks Julia for all of the extra things you do for us, in addition to your work in classes, in the front office and with the OSHC accounts.

Janet Zweck will be working at the school on Tuesdays and Thursdays next term as a classroom support SSO. Heather Hancock will be on Long Service Leave for nine weeks next term. The process to appoint someone in Heather’s place has not been completed. We will still see Heather in the first week next term and she will have the opportunity to provide a short induction program for the successful applicant.

I am looking forward to seeing you all at the Community Assembly which is being hosted by the Upper Primary class on Thursday 1st July and as this is our last newsletter for the term, I remind you that school will dismiss at 2.30pm on the last day of term. The bus after school will also run an hour earlier. OSHC will be available from 2.45pm until 6.00pm.

Have a happy and relaxing holiday with your families.

Cheers, Dzintra

Solar Panels
42 solar panels were installed on the roof of Junior Primary and Upper Primary classrooms on Tuesday 8th June. In addition to generating power, saving the school some money and reducing the amount of carbon needed to produce our power, students will have the opportunity to learn about solar power and energy consumption in a direct way. In addition to the monitor in the corridor where simple readings can be taken, students will be able to use computer programs to see what happens throughout each day and throughout the year.

Wakakirri
As you know, Wakakirri will be held on Tuesday 10th August, 2010. All of the children will travel to Adelaide by bus and will return with parents/guardians or on the small bus back to Blyth if parents/guardians are not attending the performance.
We have been allocated 76 tickets for the school. This is less than usual as the Venue (The Adelaide Town Hall) is much smaller. Each family is allocated 2 tickets and we will have a few spares for other family members. Please be considerate when ordering. Please complete the ticket order and send back to school with your payment to secure your tickets.
All orders need to be received by next Friday 2nd July with payment.
If this is a problem for anyone please phone the office or come and see us.

### Building Progress

Most of the construction work on the library has been completed. However, we are still a little way from moving in because we are waiting for cupboards, carpets, airconditioning and other fittings to be done. Some work still remains to be done in the Middle Primary class including pinup boards and sink.

### SRC News

Casual day will be held on the last day of term for the Fred Hollow's Foundation. Children may wear their casual clothes and give a gold coin donation. Thank you.

---

### Christian Pastoral Support Worker News

Hello everyone,

**CPSW Conference 2010 - Engaging Community**

I will be at a conference in Adelaide next Monday to Wednesday with 300 other CPSWs. It is a great time for learning, sharing ideas and “sussing out” resources.

This year’s theme, Engaging Community, is an important part of the work of CPSWs and their schools.

Our Upper Primary Enterprise project has caught the attention of conference organisers who will show slides from the power point we produced along with those of other school/community projects from around the state.

Well done to Ms D’Cruze, class and volunteers - keep up the good work!

### Seasons for Growth Recollectors

Three groups have met together over the past two weeks and may meet again occasionally as requested by students. There is a lot to be gained from supporting one another in small groups. The Seasons for Growth programme wants children to know 'I am not the only one' and 'I am not alone'.

### Holiday Programme

A reminder to all families about this exciting event in the second week of the holidays. If anyone would like to help with serving morning tea or the craft segment, let me know (884462164).

Wishing all staff and students happy and restful holidays.

---

Take care, Regards, Mignon

### Rec - Year 2 Class News

Wow! Almost half way through the year! The Junior Primary students have been very busy, extending themselves in their learning.

They are improving in their spelling contracts, each week completing more activities!

They have been working hard on their story writing skills with some students aiming at writing a 10 page story!

We have welcomed 3 new Kindy children for transition visits who will be starting with us next term - Leah, Nicholas and Andy.

Wishing everyone safe and enjoyable school holidays and looking forward to seeing you all next term.

Cheryl Pyrke
Year 3-5 Class News
Well what a long and busy term it has been! The Middle Primary children have experienced such a range of learning opportunities with every teacher in this school, whether it is Literacy and Maths with Mrs Richards, Show and Share with Mrs Pyrke, German with Mrs Goss or Art, Dance and Wakakirri with Ms D’Cruze. I think it is a wonderful opportunity for students at this school to experience so many teaching styles and I am grateful to be part of such a collaborative staff.
The Middle Primary class have created some high quality work this term and we are really looking forward to sharing some of our work at Community Assembly next week. They sang beautifully at the CWA lunch at the Blyth Hall last week. Special congratulations to Jarrod, Caitlin and EJ for presenting with such confidence and to Blake for an impromptu didgeridoo performance!
Best wishes for the holidays!
Kate Harvey

Year 6-7 Class News
We all enjoyed a very exciting netball game today with the parents. It was a lot of fun and we thank the parents for coming in and joining in with us. Thank you also to Valerie Carling for coming in and coaching the class for netball this term - we have all appreciated the time and effort you have given.
We are finishing off all of our topics for the term and are preparing for our assembly.
On Wednesday the 30th June, the children will be selling their Enterprise goods and singing in Ennis Park in Clare. All money raised will go to our charity in Uganda.
Wakakirri rehearsals are coming along well and thanks to some busy parents and students the costumes are almost ready. Please send along the costumes you are supplying clearly named, so that they can be returned to you.
Regards, Jillian
