THE WEEKLY BULLETIN Week Eight Term ONE 2022

Hello Everyone,

What an amazing week this has been with our **Harmony Day & Ride 2 School** celebrations. Thank you so much to Emily and Alex for enabling students to have a yummy breakfast individually served and a drink of juice for Harmony Day. Thankyou to Emily, Tricia, Alice, Kirsty & Amy for doing some excellent activities with our students to celebrate and learn about cultural diversity and kindness towards others. The photo booth was a great success and photos will be coming home in the next newsletter.

Ride2School Day.

Today was another great opportunity for students to bring/ride their bikes and scooters to school for the official R2S day. The staff were able to supervise students riding around on the road near the school and to take some time to teach road rules such as staying as close as possible to the left-hand side of the road, and remembering to look left, right, left and right again, listening for traffic before proceeding. It was fabulous that everyone remembered to bring their bike & scooter helmets to wear and ensure that their bikes and scooters were "roadworthy" with good brakes and tyres. Students enjoyed this opportunity as a part of fitness, and some photos will be included in the newsletter next week also.

Cadbury Easter Fundraiser.

The boxes of Easter eggs for our fundraiser are ready to be collected at the front office. Please remember the monies or unsold eggs will need to be returned on or before April the 11th, (Monday of week 11). Thank you to families who have ordered boxes to sell as this will be a valuable fundraiser for our school including our new Ag Science program which all students are accessing.

Week 11 Movie Day Excursion to the Blyth Cinema.

Next Monday, a consent form will be coming home for students to participate in an excursion to the Blyth Cinema on Wednesday the 13th of April. The R-2 students will be viewing Peter Rabbit 2 and the Year 3-6 students will be viewing The Bad Guys. Thankyou to the Parent Club for subsidising the costs of this excursion so that the total cost will be \$5.00 per child, which includes the movie, a Pop Top Drink & a bag of Popcorn. It is planned to attend with Auburn, Watervale and Brinkworth Primary Schools, and after the movie the students from the other schools will be coming to Blyth Primary School for lunch and a play before returning to their schools. A fabulous opportunity for students to enjoy the company of other students at other schools as well as celebrate the end of the term.

Bread Bags & Tags Are Back!

Please start sending in bread tags and plastic bags for us to recycle. There are prizes for schools to be in the draw for winning, but really this initiative is highlighting our ability to recycle these products.

Mini Chats Week 9

Time slots have been sent out with this bulletin, if you are unable to make your time as planned, please telephone the school to indicate your change in circumstance and to make another appointment. All parents **MUST** wear masks during these meetings and adhere to time limits so social distance and interaction with other parents can be minimised. If you would prefer to make a telephone call, please let us know.

Covid- 19 & Illness.

Firstly, a HUGE Thank you to those families who have kept their child/ren home and tested them just in case it has been the Covid-Virus. I have been notified that in some cases outside of school, older students or parents have no symptoms as such but still test positive. Please remember your child may or may not present with any symptoms of any illness, and if you feel they may have been near a Covid positive contact, please feel free to keep them at home as this is the best place for them, and to keep everyone else safe. The change of season has already bought along some sniffles and once again I thank those families who are keeping students home and checking.

REMINDERS FOR NEXT WEEK.
