THE WEEKLY BULLETIN Week TWO Term ONE 2022

Hello Everyone,

It was excellent to see all of our students last week either back at school or online, and congratulations to them all for starting a great year of learning. Our Year 3-6 students that have been at school have been wearing their masks, hand sanitising regularly and keep a social distance. The staff and I are all very proud of the manner in which they are handling the current restrictions. Thank you too, to families for spending time preparing students in the Year 3-6 age bracket on their return to school. Thank you to all of the staff for their fabulous work organising the first two weeks of school to make it a great start to learning even with some of the current restrictions.

Next week the staff and I are looking forward to all of our students returning to school, where lessons will resume as normal on Monday the 14th of February. If there are any changes in the meantime, I will contact you. Please ensure that your email and telephone numbers are current with the school front office as this will assist us greatly with communication. We have had one or two emails bounce back.

TEAMS MEETINGS

Thank you to families who have been supervising students at home these past two weeks with their work and logging into the TEAMS meetings. I really appreciate the change in normal family routines to ensure that this happens successfully.

ASSEMBLY WEEK 3

As next week is our first week of all students attending school, we will be cancelling next week's assembly. Mrs Spurling's class will join in with the 3/4 class hosting in week 6! We look forward to seeing some great work and items.

INFORMATION BROCHURES ATTACHED.

Please find enclosed some information for the year that you may find useful.

- Blyth primary School Grievance & Complaint Procedures
- Nut Policy information- please note we are a NUT free school

For signing & returning-

- Laptop Contract for students
- ICT Agreement
- Permissions Agreements

CURRENT COVID RESTRICTIONS.

As Blyth Primary School is part of the care sector, we are still requiring all parents to limit access to the school if possible, and if you do need to come onto site, you must ensure that you QR-Code, wear a mask at all times and do not enter classroom areas. If you do need any assistance, please feel free to come to the front office, or ask one of the staff outdoors and we are only too happy to help. Thank you for being respectful and understanding these current restrictions.

ANNUAL GENERAL MEETING. WEEK 5 TERM 1 2022

It is tentatively planned for the A.G.M to be held on Monday the 28th of February at 7.15pm, but further details will be sent home closer to the date, and dependant on Covid restrictions what format this may be presented.

WEEK 6 MINI CHATS

The MINI CHAT is an opportunity for parents/caregivers to hear from the class teacher about how your child has settled into the school year, and how learning is going on first impressions. It is also an opportunity for parents/caregivers to ask any questions they may have. These can be a telephone call, email, or dependant on Covid restrictions a face-to-face meeting. They are scheduled for a maximum of 10 minutes, and we hope that these will be a valuable quick snapshot of learning and wellbeing progress.

These are currently planned for Week 6 Tuesday the 8th & Wednesday the 9th of March. A timetable with time slots for your selection will be sent home sooner to the date.

APPLYING FOR SCHOOL CARD

This can be accessed online for filling in and lodging. If you would like to apply visit- sa.gov.au/education/schoolcard
Select the type of school card you would like to apply for and follow the prompts.

I appreciate and thank families for being understanding with the changing situation to our normal routines and events and realise this may cause some inconvenience. Please feel free to contact me for further questions or information.

Have a great week! Kind Regards, Lynne-Maree Hastings Principal Blyth Primary.
