## THE WEEKLY BULLETIN Week Seven Term TWO 2022

Hello Everyone,

This week the staff have been discussing with students reminders concerning “Stranger Danger” and how to keep themselves safe. One of the questions I was asked yesterday from a quizzical student was “Is it okay to get a ride home with grandma, if she comes to pick me up from school instead of mum?” Of course, the answer for this child was yes. 😊 However if you can please assist the staff and I by ensuring if there are any changes during the day of who will be collecting students, that you telephone the front office to notify us, and so we can also make sure your child/ren know of the change of plans and who is collecting them.

Our procedures for the students who are waiting to catch the bus home are that they all wait inside the front admin hall area with the duty teacher, and the OSHC children go to the OSHC room first to meet with Deb before they go outside with Deb supervising.

### NATURE PLAY SA CUBBY BUILDING STEM CHALLENGE EXCURSION NEXT MONDAY

Next Monday June the 20<sup>th</sup> (week 8) we have our whole school excursion to Belair National Park to become involved in Nature Play SA’s cubby building STEM challenge.

The weather is forecast to be cold and raining, so please make sure your child/ren are dressed for a day of all weather outdoor learning with warm clothing. Students will need layers of clothing with a rain jacket or waterproof clothing, beanies and scarves will help keep out the cold too. Gumboots can be worn or old shoes with a change of socks and shoes for the ride home afterwards. Please bring a bag in which to place the wet muddy ones for home too.

Just a reminder, students will need to be at school by 10 past 8am, as the bus will be leaving at 8.15am. We will be returning at approximately 4.45pm and there will notification on Skoolbag when we are at Mallala on the way back. Families can then arrange to be at Blyth Primary to collect children.

Students must bring their lunch already prepared in a disposable wrap, recess, and some snacks as it will be a long day, along with a water bottle.

### Reminder-

- Tomorrow is Super-Hero Day.
- Students can come dressed as their favourite Super-Heroes and give a donation toward the Heartkids Foundation.

*Have a great weekend everyone, Keep warm,*

*Kind Regards,*
