## THE WEEKLY BULLETIN TERM FOUR WEEK 2 2022

Hello Everyone,

On Friday this week it is a special day for all teachers. (World Teachers' Day). The day is to commemorate the dedication and work that teachers do to facilitate not only learning, but wellbeing and care towards the next generation of society. At Blyth Primary School we are very fortunate to have an excellent teaching staff as a part of our whole staff team, and I sincerely thank Tricia, Alice, Kirsty, Amy, and A.J for the contribution they make each day. The teachers, (and indeed all the staff), were treated to a special morning tea and a "Coffee Run" by the Parent Club. Thanks to Alycia, Alex, and their helpers, as it was very much appreciated. Thanks to Emily and the SSO staff for providing some beautiful flowers also.

### TUCK DAY FUNDRAISERS

There is a form attached for tuck day lunch orders for students on Thursday the 3<sup>rd</sup> of November. The Parent Club and volunteers have been organising lunch order days for students to have the opportunity to purchase a special lunch for the day now that the Covid restrictions have lifted. It is also a great opportunity to raise some funds as this money goes directly to the school. The fundraising money is used towards either subsidising or funding excursions & equipment needed at the school. A great way in which students can benefit on the day with lunch and afterwards! Thank you to the parents that have undertaken the food handling online course to support this initiative, and, to families for supporting the fundraising by purchasing a lunch order.

### MATERIAL & SERVICES CHARGES FOR 2023. (SCHOOL FEES)

The standard sum rate of \$269. per child for school fees for 2023 will be going to the Governing Council to be approved before the end of this year. Some families will be eligible for the \$100. rebate. More information will be coming home in the next few weeks, but please speak with Julia if you wish to finalise your school fees and any outstanding amounts for 2022- statements attached or commit to a payment plan ready for 2023.

### REMINDERS-

- Even though Covid restrictions have been eased, please remember if your child is displaying any symptoms of a runny nose or coughs, colds, or sickness PLEASE KEEP THEM AT HOME as it is the best place for them to recover, and it also helps prevent the spread of illness to others at school.
- Please ensure that your child/ren come to school wearing the school uniform. A reminder to label clothing as with the unpredictable weather some students are wearing jumpers in the morning and taking them off during the day, so with a name inside the collar, the jumper can be easily returned to the rightful owner.
